BANK OF SCOTLAND
Supporting Youth Sport

Bank of Scotland is delighted to welcome you to today's National Outdoor Championships

Bank of Scotland is the largest commercial sponsor of youth sport in Scotland. Our sponsored development projects encourage young people of all ages and abilities to participate in sport and this forms a vital part of our sponsorship programme.

Some sports like football and curling we have been sponsoring for many years; but others like athletics, badminton, hockey and swimming are relatively new ventures for the Bank. On top of the core sports we also support youth projects with those sports which are of national importance to Scotland like golf and shinty.

We hope that these projects, tailored to the needs of the individual sport, will encourage the sporting wealth of Scotland and that future stars will be identified and nurtured.

Our partnership with the Scottish Athletics Federation is a key part of this programme and through the Talented Young Athletes Programme opportunities for athletes to progress from participation to performance and ultimately excellence are provided.

I would like to wish all athletes, Scottish and visiting alike, the best of luck today and take this opportunity to thank all those whose enthusiasm and dedication make the programme, and especially today's event, possible.

BANK OF SCOTLAND UNDER 17 & UNDER 20 CHAMPIONSHIPS 2001

MESSAGES OF WELCOME

It gives me great pleasure to welcome everyone to Grangemouth today for the Bank of Scotland Under 17 & Under 20 Championships for 2001.

It is always interesting to see the first major championship of the season for any age group. The continuing involvement of sponsorship from the Bank of Scotland means that competition within the Under 17 & Under 20 age groups should be even more exciting this year through the Talented Young Athletes programme. I am again very pleased to say a big thank you to Bank of Scotland for their ongoing support.

Thanks are also due to Falkirk Council for their involvement and as always to all officials, staff, volunteers, coaches, athletes and spectators who are all essential to make this event a success.

Enjoy a good day of sport and competition.

Joan Watt
President
Scottish Athletics

I would like to take this opportunity to welcome everyone, especially our sponsor Bank of Scotland, to Grangemouth Stadium for the Scottish Under 17/Under 20 Championships.

This is another busy and exciting year for our youngsters who are searching for the qualifying mark for the European Under 20 Championships, which will be held in July in Grosseto Italy. Some athletes have already achieved the qualifying mark for their events however with good conditions today I am sure more athletes will reach the required standard.

Thanks are extended to Falkirk Council for their support of this Championship, with thanks also to the Manager and staff who work hard to make these Championships a success. I would also like to thank the dedicated 'band' of officials and helpers who continue to support athletics in Scotland throughout the year and make events like today happen.

Finally, many thanks once again to Bank of Scotland for continuing to support Junior athletics in Scotland.

Enjoy a good day of competition.

Leslie Roy
Convenor
Track & Field Commission

BANK OF SCOTLAND Learn to Swim programme

Helping Scotland Learn to Swim - The Bank has joined forces with Scottish Swimming to launch the largest and most comprehensive scheme to help our nation correctly learn a key life skill.
