First Meeting Point & Accreditation

Teams should arrive at the Emirates Arena for the arrival time stated in the table below. The entrance to the Arena will be through the fire door entrance into the warm up track, accessed via the car park. Teams must **not** enter the building via reception or level 3 concourse.

Clubs will declare teams and collect their team packs from within the warm up track of the Arena. The bag drop-off and area for teams will be located at the end of the warm up area by the sand pit.

Upon arrival Team managers are asked to pick up their team packs. These packs will include:

- Team Bibs
- Final Team Declaration Form
- Wristbands – 1 per athlete + 1 team manager per team, which acts as accreditation

All teams must be made up of 4 from the 6 athletes originally declared before the heats on 1st February 2020. No additional athletes can be added between the heats and finals, but reserves named on the original declarations sheet can be swapped in for the final.

Warm Up

The track is exclusively for warming up. Please remember to run in only one direction to ensure safety for all competitors. If your team is not warming up, stay off the track by the bag drop-off area located by the sand pit.

Call Room

Teams must report to call room 'ready to run' i.e. no personal equipment. Please leave bags etc. in the warm up area to be picked up on your return. Vests, bib numbers and spikes will be checked in the Call Room and leg numbers will be distributed here. Athletes must compete in the colours of the club under which they have entered. Spike length must not exceed 6mm.

Rules and Requirements

These races will be held under UKA Rules

Please note that takeover zones will be marked on the track for all takeovers. Officials will place athletes in the correct position within the takeover zone, however it is not the responsibility of the track officials to educate athletes in the rules surrounding relay take overs. Track officials are in place to ensure the rules are enforced fairly to all athletes.

Please respect the privacy of the Elite athletes and do not take pictures within the warm up area unless the athlete grants permission for you to do so. The same rule applies for autographs.

Filming

All relays will be filmed and shown on the big screen within the arena. Race footage will be available on request following the event (although it is likely it may take some time for this to become available). All athletes must complete and return a signed release form (form 2 in your pack) before they will be permitted to race.

Presentations

Medal/cheque presentations will take place shortly after each race trackside or in the mixed zone. Winning teams must report to **scottish**athletics staff as soon as possible to allow presentations to run smoothly. All athletes who have run for a winning team, in any round, will receive a medal. Reserves who have been named as reserves but have not run will not.

Post-Race

Following each race, athletes will collect their belongings from kit collection outside the Sports Hall. Teams will be escorted by a member of Event Staff from the Club:Connect kit collection post event, back to the concourse, where they will enter the Arena through the ticket gates. Each age group will be taken out as a group once kit is collected. 7 FREE tickets (6 athletes and 1 team manager per team) have been allocated for participants to watch the event after the relays. These tickets will be required on re-entry after the relays.
